<p>General transmission of COVID-19</p>	<p>The SSP is hosted by Rickmansworth School and adheres to the schools COVID-19 risk assessment</p> <p>The SSP monitor and adhere to appropriate NGB, DfE and AFPE Risk assessments/Guidance</p>				
<p>General transmission of COVID-19</p>	<p>Risk of transmission of COVID 19 through ineffective hygiene protocols</p>	<p>All</p>	<p>Medium</p>	<p>Include hydration and hand sanitization every 15minutes during physical activity sessions (this reduces close contact risks and improves hygiene)</p> <p>Ensure time for hand washing / sanitising before / During / after physical activity. Schools to provide hand cleaning facilities throughout the day/activity. Encourage Catch It, Bin It, Kill It.</p> <p>People must not attend if they show any symptoms of COVID-19</p> <p>Schools are to provide First Aid support allowing the SSP staff to continue and ensure social distancing is maintained throughout delivery.</p>	<p>Low/Medium</p>
	<p>Risk of transmission of COVID 19 through ineffective cleaning of equipment</p>	<p>All</p>	<p>Medium</p>	<p>Schools to have hand sanitisers, tissues and facilities to clean hands for pupils.</p> <p>Equipment to be cleaned/sanitised prior to and after use of each group.</p> <p>Surface spray and disposable paper/cloth to be used to wipe equipment thoroughly before activity starts. This will include anything that may have been handled including cones, balls etc</p> <p>All equipment to be thoroughly cleaned between each use by different groups. Where possible pupils will have their own equipment to use.</p> <p>Shared equipment is to be washed / sanitised between events and handed out by a single individual with as little contact as possible. Use of multiple sets</p>	<p>Low/Medium</p>

				<p>of sanitised balls, bibs, cones where possible. Equipment to be quarantined for up to 72 hours between uses where washing / sanitising not possible.</p> <p>Where schools specify no handling of equipment, only cones/markers will be used to clearly mark out zones.</p> <p>Resources which are shared between bubbles or groups must be cleaned between use or quarantined between use for 48 hours (72 hours for plastics)</p>	
	Risk of transmission of COVID 19 through inadequate social distancing	All	Medium	<p>Staff to regularly remind pupils to socially distance</p> <p>Pupils participate in class groups/bubbles only.</p> <p>Staff to social distance (2m) from pupils where possible. Where staff / pupil social distancing is not possible, hand washing /sanitising to be completed more regularly.</p> <p>Class sizes ideally no more than 30</p> <p>Stagger groups finishing and new groups entering hall/playground space to reduce large groups gathering.</p> <p>Staff recommended to stay at the front of the classroom/hall and maintain 2m distance from pupils in line with DfE guidance</p> <p>Staff will not get closer than 1m and any contact between 1 and 2m will be less than 15 minutes, therefore reducing risk</p> <p>Avoid face to face student contact within sessions and students sitting tightly together when having demos etc</p>	Low/Medium

				<p>Physical Activity to be completed outdoors, Where this is not possible activities should take place in a large hall/classroom with good ventilation. Activity selection should be appropriate to the indoor space available to allow for social distancing.</p> <p>Where schools specify social distanced PE, pupils should work in their own space/zone which may be marked out.</p>
